Multiple Listing Service

Section A – PURPOSE: A multiple listing service is a means by which authorized participants make blanket unilateral offers of compensation to other participants (acting as subagents, buyer agents, or in other agency or nonagency capacities defined by law); by which cooperation among participants is enhanced; by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale (or lease). (Amended 2/16)

Section B – PARTICIPATION: Any REALTOR® member of any Board or a nonmember who is a principal, partner, corporate officer, or branch office manager acting on behalf of the principal, without further qualification, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service "membership" or "participation" unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.

Use of information developed by or published by a Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed by or published by a Multiple Listing Service where access to such information is prohibited by law.

Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm 'offers or accepts cooperation and compensation' means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and on-going basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website ("VOW") (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business" to "offer or accept cooperation and compensation" only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so.

The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants. (Adopted 11/08)

Section C – SUBSCRIBERS: Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with Participants. Subscribers may also include affiliated unlicensed administrative and clerical staff and personal assistants that are under the direct supervision of an MLS Participant or the Participant's licensed designee.

Section D – GOVERNING DOCUMENTS: The Board of Managers shall cause the Multiple Listing Service to conform its operating agreement, rules, regulations, and policies, practices, and procedures at all times to the Constitution, Bylaws, Rules, Regulations, and Policies of the NATIONAL ASSOCIATION OF REALTORS®

Listing Procedures

Section 1 - LISTING PROCEDURES: Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the territorial jurisdiction of the MLS taken by Participants on Exclusive Right to Sell and Exclusive Agency listings shall be delivered to the Multiple Listing Service within 3 business days after all necessary signatures of seller(s) have been obtained: (Amended 11/01)

- (a) Single family homes for sale or exchange
- (b) Vacant lots and acreage for sale or exchange
- (c) Two-family, three-family, and four-family residential buildings for sale or exchange

Note 1: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

1. May reserve the right to refuse to accept a listing form, which fails to adequately protect the interests of the public and the Participants
2. Assure that no listing form filed with the Multiple Listing Service establishes directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller)

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as brokers, buyer agents, or both. (Amended 11/96)

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service. (Amended 11/96)

The different types of listing agreements include:

- (a) Exclusive Right to Sell
- (b) Exclusive Agency
- (c) Open
- (d) Net

The Service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted except where required by law because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation. (Amended 4/92)

The exclusive right to sell listing is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. (Amended 4/92)

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations. (Amended 4/92)

Note 2: A Multiple Listing Service does not regulate the type of listings its Subscribers may take. This does not mean that a Multiple Listing Service must accept every type of listing. The Multiple Listing Service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Subscribers free to accept such listings to be handled outside the Multiple Listing Service.

Note 3: A Multiple Listing Service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. (Adopted 11/92)

Section 1.1 - TYPES OF PROPERTIES: Following are some of the types of properties that may be published through the Service, including types described in the preceding paragraph that are required to be filed with the Service and other types that may be filed with the Service at the Participant's option provided, however, that any listing submitted is entered into within the scope of the Participant's licensure as a real estate broker: (Amended 11/91)

- 1) Residential
- 2) Residential Income
- 3) Subdivided Vacant Lot
- 4) Land and Ranch
- 5) Business Opportunity
- 6) Motel-Hotel
- 7) Mobile Homes
- 8) Mobile Home Parks
- 9) Commercial Income
- 10) Industrial

Section 1.1.1- LISTINGS SUBJECT TO RULES AND REGULATIONS OF THE SERVICE: Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the Rules and Regulations of the Service upon signature of the seller(s).

Section 1.1.2 – LISTINGS SUBJECT TO DOCUMENTATION VERIFICATION: At the time of input, the Multiple Listing Service does not require hard-copy documentation to be submitted to the Multiple Listing Service for any listing or change. However, it is incumbent upon the Participant to keep records and be able to verify and document any information filed with the Multiple Listing Service, upon request by the Multiple Listing Service.

Section 1.2- DETAIL ON LISTINGS FILED WITH THE SERVICE: A Listing Agreement or Property Data Form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail which is ascertainable as specified on the Property Data Form.

Section 1.3- EXEMPT LISTINGS: If the seller refuses to permit the listing to be disseminated by the Service, the Participant may then take the listing ("office exclusive") and such listing shall be filed with the Service but not disseminated to the Participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the Service.

Section 1.4- CHANGE OF STATUS OF LISTING: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within three (3) business days after the authorized change is received by the listing broker. (Amended 05/05)

Section 1.5- WITHDRAWAL OF LISTING PRIOR TO EXPIRATION: Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the Service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller. (Adopted 11/96)

Section 1.6- CONTINGENCIES APPLICABLE TO LISTINGS: Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7- LISTING PRICE SPECIFIED: The full gross prices stated in the listing contract will be included in the information published in the MLS compilation of current listings unless the property is subject to auction. (Amended 11/92)

Section 1.8-LISTING MULTIPLE UNIT PROPERTIES: All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the Property Data Form. When part of a listed property has been sold, proper notification should be given to the Multiple Listing Service.

Section 1.9- NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS: The Multiple Listing Service shall not fix, control, recommend, suggest or maintain commission rates or fees for services rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and nonParticipants.

Section 1.10- EXPIRATION OF LISTINGS: Listings filed with the Multiple Listing Service will automatically be removed from the compilation of current listings on the expiration date s specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed.

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the Service. (Amended 2/16)

Section 1.11 – TERMINATION DATE ON LISTINGS: Listings filed with the Service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.12- JURISDICTION: Only listings of the designated types of property located within the jurisdiction of the MLS are required to be submitted to the Service. Listings of property located outside the MLS's jurisdiction will be accepted if submitted voluntarily by a Participant, but cannot be required by the Service. (Amended 11/01)

Section 1.13- LISTINGS OF SUSPENDED PARTICIPANTS: When a Participant of the Service is suspended from the MLS for failing to abide by membership duty (i.e., violation of the Code of Ethics, Board Bylaws, MLS Bylaws, MLS Rules and Regulations, or other obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Board (except where MLS participation without Board membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, a Board MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 1.14- LISTINGS OF EXPELLED PARTICIPANTS: When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Board Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS shall, at the expelled Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Board or MLS (or both) for failure to pay appropriate dues, fees, or charges, IRES is not obligated to provide MLS services, including continued inclusion of the expelled Participants listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised in writing of the intended removal so that the expelled Participant may advise his clients.

Section 1.15- LISTINGS OF RESIGNED PARTICIPANTS: When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listing in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised in writing of the intended removal so that the resigned Participant may advise his clients.

Selling Procedures

Section 2 -SHOWINGS AND NEGOTIATIONS: Appointments for showings and negotiations with the seller for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker except under the following circumstances:

- (a) The listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
 - (b) After reasonable effort, the cooperating broker cannot contact the listing broker or his representative.
- However, the listing broker, at his option, may preclude such direct negotiations by cooperating broker.
(Amended 4/92)

Section 2.1- PRESENTATION OF OFFERS: The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. (Amended 4/92)

Section 2.2 -SUBMISSION OF WRITTEN OFFERS AND COUNTER-OFFERS: The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. (Amended 11/05)

Section 2.3- RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER: The cooperating broker or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. (Amended 4/92)

Section 2.4- RIGHTS OF LISTING BROKER IN PRESENTATION OF COUNTER-OFFERS: The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to present at any discussion or evaluation of a counter-offer by the purchaser or lessee. However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. (Adopted 11/93)

Section 2.5- REPORTING SALES TO THE SERVICE: Status changes, including final closing of sales and sales prices, shall be reported to the multiple listing service by the listing broker within three (3) business days after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 24 hours after occurrence and the listing broker shall report them to the MLS within two (2) business days after receiving notice from the cooperating broker. (Amended 11/11)

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may

request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 11/11)

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 11/11)

Section 2.6- REPORTING RESOLUTIONS OF CONTINGENCIES: The listing broker shall report to the Multiple Listing Service within three (3) days that a contingency on file with the Multiple Listing Service has been fulfilled or renewed, or the agreement cancelled.

Section 2.7- ADVERTISING OF LISTING FILED WITH THE SERVICE: A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker.

Section 2.8- REPORTING CANCELLATION OF PENDING SALE: The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale and the listing shall be reinstated immediately.

Section 2.9 – DISCLOSING THE EXISTENCE OF OFFERS: Listing brokers, in response to inquiries from buyers or cooperating brokers, shall, with the seller’s approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker. (Amended 11/08)

Section 2.10 – AVAILABILITY OF LISTED PROPERTY: Listing brokers shall not misrepresent the availability of access to show or inspect listed property. (Adopted 11/05)

Refusal to Sell

Section 3- REFUSAL TO SELL: If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

Prohibitions

Section 4- INFORMATION FOR PARTICIPANTS ONLY: Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker.

Section 4.1- “FOR SALE” SIGNS: Only the “For Sale” signs of the listing broker may be placed on the property. (Revised 11/89)

Section 4.2- “SOLD” SIGNS: Prior to closing, only the “Sold” sign of the listing broker may be placed on a property unless the listing broker authorizes the cooperating (selling) broker to post such a sign. (Amended 4/96)

Section 4.3- SOLICITATION OF LISTING FILED WITH THE SERVICE: Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS Code of Ethics, its Standards of Practice and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics

Section 4.4- USE OF THE TERMS MLS AND MULTIPLE LISTING SERVICE: No MLS participant, subscriber, or licensee affiliated with any participant shall, through the name of their firm, their URL's, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers, and licensees affiliated with Participants shall not represent, suggest or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to Participants and subscribers. This does not prohibit Participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customer is available on their websites or otherwise. (Adopted 11/07)

Division of Commissions

Section 5 - COMPENSATION SPECIFIED ON EACH LISTING: The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or s otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid. (Amended 11/98)

Note 1: In filing a property with the Multiple Listing Service, the Participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell. * (Amended 11/96)

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as buyer agents or in other agency or nonagency capacities defined by law) which may be the same or different. (Amended 11/96)

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, an provided that the modification in the

specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. (Amended 5/10)

The Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the Board Multiple Listing Service shall not publish the total negotiated commission on a listing that has been submitted to the MLS by a Participant. The Multiple Listing Service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

*The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by a Multiple Listing Service is that the information to be published shall clearly inform the Participant as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price.
2. By showing a definite dollar amount. (Amended 11/95)

Note: MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales prices defined as the gross sales price minus buyer upgrades (new construction) and seller concessions (as defined by the MLS unless otherwise defined by state law or regulation. (Adopted 5/08)

While MLSs are not required to authorize participants to offer cooperative compensation based on net sale prices, those that do permit such offers must define "seller concessions" for purposes other than new construction, unless that term is defined by applicable state law or regulation. The following definition of "seller concessions" is suggested but not required for adoption:

Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alterations not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value. (Adopted 05/12)

Note 2: The listing broker may, from time to time, adjust the compensation offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised. (Amended 4/92)

Note 3: The Multiple Listing Service shall make no rule on the division of commissions between Participants and nonParticipants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in the listing contracts are subject to court approval or to lender approval; and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contracts is reduced by a court or a lender. In such instances, the fact that the gross commission is subject to court or to lender approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. (Adopted 05/10)

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. (Adopted 11/05)

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential "remarks" available only to participants and subscribers. (Amended 5/09)

Section 5.0.1 DISCLOSING POTENTIAL SHORT SALES: Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. (Amended 05/09)

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contracts, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants. (Adopted 11/09)

Where participants communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating participants, listing participants shall disclosed to cooperate participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 72 hours of receipt of notification from lender. (Adopted 05/10)

Section 5.1 -PARTICIPANT AS PRINCIPAL: If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the Multiple Listing Service, that person shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants.

Section 5.2- PARTICIPANT AS PURCHASER: If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (Adopted 2/92)

Section 5.3- DUAL OR VARIABLE RATE COMMISSION ARRANGEMENTS: The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without the assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. (Amended 05/01)

Service Charges

Section 6- SERVICE FEES AND CHARGES: The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

- (a) Initial Participation Fee: An application for participation in the Service shall pay an application fee of \$95 for Realtors® and \$225 for non-Realtors with such fee to accompany the application.
- b) Recurring Participation Fee: The monthly participation fee of each Participant shall be an amount determined by IRES times the total numbers of subscribers and salespersons and licensed, certified or trainee appraisers who are employed by or affiliated as independent contractors with such Participant. Fees shall be prorated on a monthly basis.

All MLS fees, dues, and charges, including, but not limited to, initial participation fees, recurring participation fees, listing origination fees, subscription fees, etc., may be assessed to MLS Participants or to individual users or subscribers. This does not preclude an MLS Participant from being reimbursed by affiliated licensees for fees or charges incurred on their behalf pursuant to any in-house agreement that may exist. If direct billing of subscribers is utilized, the ultimate responsibility for delinquent dues, fees, and charges is that of the participant. (Revised 8/15)

Section 6.1 – CERTIFICATION OF NON-USE (REQUEST FOR WAIVER OF FEES): Participants may be relieved from payment under Section 6 hereunder by certifying in writing to the MLS that a licensed or certified person in the office is engaged solely and exclusively in a specialty of the real estate business separate and apart from listing, selling, leasing, or appraising the type of properties which are required to be filed with the MLS. In the event a real estate licensee or appraiser is found in violation of the nonuse certification (including but not limited to the use or benefit of the MLS and/or lockbox system), the Participant shall be subject to all MLS fees dating back to the date of the certification. The Participant and Subscriber may also be subject to any other sanction imposed for violation of MLS rules including, but not limited to suspension or termination of participation rights and access to the service. (Adopted 8/15)

Compliance with Rules

Section 7 - SUBJECT TO RULES AND REGULATIONS: By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- (a) Letter of warning
- (b) Letter of reprimand
- (c) Attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into considerations cost, location and duration
- (d) Appropriate, reasonable fine not to exceed \$15,000
- (e) Suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- (f) Termination of MLS right privileges, and services with no right to reapply for a specified period not to exceed three (3) years. (Revised 11/14)

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the

probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14)

Section 7.1- COMPLIANCE WITH RULES: The following action may be taken for noncompliance with the Rules:

- (a) For failure to pay any service charge or fee within 30 days of the date due, and provided that at least ten (10) days notice has been given, the Service shall be suspended until service charges or fees are paid in full. A reinstatement fee of \$50 shall be assessed for any individual who has been suspended for non-payment of fees. (Modified 1/15)
- (b) For failure to submit listing information within the time specified, including new listings, status changes and price changes, a fine of \$50 per occurrence shall be assessed.
- (c) For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply;

Section 7.2 APPLICABILITY OF RULES TO USERS AND/OR SUBSCRIBERS: Non-principal brokers, appraisers and others authorized to have access to information published by the MLS are subject to these Rules and Regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the Rules and Regulations. Further failure of any user or subscriber to abide by the Rules and/or sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant. (Adopted 4/92)

Enforcement of Rules or Disputes

Section 9- CONSIDERATION OF ALLEGED VIOLATIONS: IRES shall give consideration to all written complaints from Participants having to do with a violation of the Rules and Regulations.

Section 9.1- VIOLATION OF RULES AND REGULATIONS: If the alleged offense is a violation of the Rules and Regulations of the Service and does not involve a charge of alleged violation of one or more of the provisions of Standard 16 of the Rules and Regulations or request for arbitration, it may be considered and determined by the administrative staff of the MLS, and if a violation is determined, may direct the imposition of sanction provided that the recipient of such sanction may appeal it to the Board of Managers. Alleged violations of Sections 16 of the Rules and Regulations shall be referred to the Board's (shareholder) Grievance Committee for processing in accordance with the professional standards procedures of the Board/Association (shareholder). An appeal of the decision may be made within twenty (20) days to the Board of Managers. (Amended 2/98)

Alleged violations involving unethical conduct shall be referred to the Professional Standards Committee of the Board of REALTORS® for processing in accordance with the professional standards procedures of the Board. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the Board of REALTORS® (shareholder).

Section 9.2- COMPLAINTS OF UNETHICAL CONDUCT: All other complaints of unethical conduct shall be referred by the Board of Managers of the Service to the Board of REALTORS® for appropriate action in accordance with the professional standards procedures established in the Board's Bylaws. (Amended 11/88)

Confidentiality of MLS Information

Section 10- CONFIDENTIALITY OF MLS INFORMATION: Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the Service. Such information shall be considered

confidential and exclusively for the use of Participants and real estate brokers affiliated with such Participants and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants. (Amended 4/92)

Section 10.1-MLS NOT RESPONSIBLE FOR ACCURACY OF INFORMATION: The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify the information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Section 10.2- ACCESS TO COMPARABLE AND STATISTICAL INFORMATION: Board Members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the MLS, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including "comparable" information, "sold" information, and statistical reports. This information is provided for the exclusive use of Board Members and individuals affiliated with Board Members who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations.

Ownership of MLS Compilations and Copyrights

Section 11 - By the act of submitting any property listing content to the MLS the participant represents that he has been authorized to license and also thereby does license authority for the MLS to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. (Amended 1/17)

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of "online service provider" broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.

6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. §512. (Adopted 11/15)

*IRES agrees that, as such records are presented in IRES's collection, each individual property record shall be considered as jointly authored by IRES and the Participant. The copyright in the created records are owned by and hereby assigned to IRES including but not limited to all text, renderings, depictions of architectural works, images, or other creative items, with each author's respective contributions merged in such records into an inseparable, interdependent work.

Section 11.1 - COPYRIGHT: All right, title, and interest in every Multiple Listing record and the overall Compilation are owned and copyrighted by IRES and the copyrights therein, shall at all times remain vested in and are assigned to IRES.

Section 11.2: DISPLAY - Each Participant shall be entitled to lease a number of bound copies of, or to access a database version of the MLS Compilation of IRES sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The Participant shall pay, for each such copy and for such access; the fees set by IRES. Participants shall acquire by such lease only the right to use the MLS Compilations in accordance with these rules.

The term "MLS Compilation" as used in Section 11 and 12 herein, shall be construed to include any format in which property-listing data is collected and disseminated to the Participants including, but not limited to bound book, computer database, electronic, or any other format whatever.

Notwithstanding the limitations established in the Code of Ethics and Arbitration Manual or in other National Association policy, multiple listing services operated as committees of associations of REALTORS® or as separate, wholly-owned subsidiaries of one or more association of REALTORS® are authorized to remove any listing from the MLS compilation of current listings where the participant has refused or failed to timely report status changes. Prior to the removal of any listing from the MLS, the participant shall be advised of the intended removal so the participant can advise his or her client(s). (Amended 2/16)

Use of Copyrighted MLS Compilations

Section 12- DISTRIBUTION: Participants shall at all times maintain control over and responsibility for each copy of and access to any MLS Compilation leased or licensed to them by IRES and shall not distribute or provide access to any MLS Compilation such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by IRES is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by IRES where access to such information is prohibited by law. (Amended 4/92)

Section 12.1- DISPLAY: Participants, and those persons affiliated as licensees with such Participants, shall be permitted to display individual records of the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation.

Section 12.2- REPRODUCTION: Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances or as expressly provided by these Rules:

Limited reproduction rights may be granted to those Participants who participate with the IDX program, as set forth in Section 18 of these Rules.

Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are, or may in the judgment of the Participants or their affiliated licensees, be interested.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

*It is intended that the participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 05/14)

Use of MLS Information

Section 13- LIMITATIONS ON USE OF MLS INFORMATION: Use of information from the MLS compilation of current listing information, from the Board's "Statistical Report", or from any "sold" or "comparable" report of the Board

or MLS for public mass-media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the Board or MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

"Based on information from IRES, LLC for the period (date) through (date)." (Amended 11/93)

Changes in Rules and Regulations

Section 14- CHANGES IN RULES AND REGULATIONS: Amendments to the Rules and Regulations of the Service shall be by consideration and approval of the Board of Managers of the Multiple Listing Service.

Arbitration of Disputes

Section 15- ARBITRATION OF DISPUTES: By becoming and remaining a Participant, each Participant agrees to arbitrate disputes involving contractual issues and questions, and specific non-contractual issues and questions defined in Standard of Practice 17-4 of the Code of Ethics with MLS Participants in different firms arising out of their relationships as MLS Participants, subject to the following qualifications. (Amended 1/17)

- (a) If all disputants are members of the same Board of REALTORS®, or have their principal place of business within the same Board's territorial jurisdiction, they shall arbitrate pursuant to the procedures of the Board/Association of REALTORS®.
- (b) If the disputants are members of different Boards of REALTORS®, or if their principal place of business is located within the territorial jurisdiction of different Boards of REALTORS®, they remain obligated to arbitrate in accordance with the procedures of the Colorado Association of REALTORS®.

Interboard Arbitration Procedures: Arbitration shall be conducted in accordance with any existing interboard agreement or, alternatively, in accordance with the interboard arbitration procedures in the Code of Ethics and Arbitration Manual of the National Association of REALTORS(R). Nothing herein shall preclude participants from agreeing to arbitrate the dispute before a particular association of REALTORS®.

Awards: The obligation to arbitrate includes the duty to either 1) pay an award to the party(ies) named in the award or 2) deposit the funds with the Professional Standards Administrator to be held in an escrow or trust account maintained for this purpose. Failure to satisfy the award or deposit the funds with the association within ten (10) days may be considered a violation of the MLS rules and may subject the Participant to disciplinary action at the sole discretion of the MLS.

Standards of Conduct for MLS Participants

Standard 16.1 - MLS Participants shall not engage in any practice or take any action inconsistent with the exclusive representation or exclusive brokerage relationship recognized by law that other MLS Participants have with clients. (Amended 1/04)

Standard 16.2 - Signs giving notice of property for sale, rent, lease, or exchange shall not be placed on property without the consent of the seller/landlord.

Standard 16.3 - MLS Participants acting as buyer/tenant representatives or brokers shall not attempt to extend a listing broker's offer of cooperation and/or compensation to other brokers without the consent of the listing broker. (Amended 1/04)

Standard 16.4 - MLS Participants shall not solicit a listing that is currently listed exclusively with another broker. However, if the listing broker, when asked by the MLS Participant, refuses to disclose the expiration date and nature of such listing (i.e., an exclusive right to sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client) the MLS Participant may contact the owner to secure such information and may discuss the terms upon which the MLS Participant might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing.

Standard 16.5 - MLS Participants shall not solicit buyer/tenant agreements from buyers/tenants who are subject to exclusive buyer/tenant agreements. However, if asked by an MLS Participant, the broker refuses to disclose the expiration date of the exclusive buyer/tenant agreement, the MLS Participant may contact the buyer/tenant to secure such information and may discuss the terms upon which the MLS Participant might enter into a future buyer/tenant agreement or, alternatively, may enter into a buyer/tenant agreement to become effective upon the expiration of any existing exclusive buyer/tenant agreement. (Amended 1/98)

Standard 16.6 - MLS Participants shall not use information obtained from listing brokers, through offers to cooperate made through Multiple Listing Services or through other offers of cooperation to refer listing brokers' clients to other brokers or to create buyer/tenant relationships with listing brokers' clients, unless such use is authorized by listing brokers. (Amended 11/01)

Standard 16.7 - The fact that an agency agreement has been entered into with a MLS Participant shall not preclude or inhibit any other MLS Participant from entering into a similar agreement after the expiration of the prior agreement. (Amended 1/98)

Standard 16.8 - The fact that a prospect has retained an MLS Participant as an exclusive representative or in another exclusive relationship in one or more past transactions does not preclude other MLS Participants from seeking such former client's future business. (Amended 1/04)

Standard 16.9 - MLS Participants are free to enter into contractual relationships or to negotiate with sellers/landlords, buyer/tenants or others who are not subject to an exclusive agreement but shall not knowingly obligate them to pay more than one commission except with their informed consent. (Amended 1/98)

Standard 16.10 - When MLS Participants are contacted by the client of another MLS Participant regarding the creation of an exclusive relationship to provide the same type of service, and MLS Participant have not directly or indirectly initiated such discussions, they may discuss the terms upon which they might enter into a future agreement or, alternatively, may enter into an agreement which becomes effective upon expiration of any existing exclusive agreement. (Amended 1/98)

Standard 16.11 - In cooperative transactions MLS Participants shall compensate cooperating MLS Participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other MLS Participants without the prior express knowledge and consent of the cooperating broker.

Standard 16.12 - MLS Participants are not precluded from making general announcements to prospective clients describing their services and the terms of their availability even though some recipients may have entered into agency

agreements or other exclusive relationships with another MLS Participant. A general telephone canvass, general mailing or distribution addressed to all prospects in a given geographic area or in a given profession, business, club, or organization, or classification or group is deemed "general" for purposes of this rule. (Amended 1/04)

The following types of solicitations are prohibited:

Telephone or personal solicitations of property owners who have been identified by a real estate sign, multiple listing compilation, or other information service as having exclusively listed their property with another MLS Participant; and mail or other forms of written solicitations of prospects whose properties are exclusively listed with another MLS Participant when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilations of current listings, "for sale" or "for rent" signs, or other sources of information intended to foster cooperation with MLS Participants. (Amended 1/04)

Standard 16.13 - MLS Participants, prior to entering into an agency agreement or other exclusive relationship, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service. (Amended 1/04)

Standard 16.14 – MLS Participants, acting as buyer or tenant representatives or brokers, shall disclose that relationship to the seller/landlord's representative or broker at first contact and shall provide written confirmation of that disclosure to the seller/landlord's representative or broker not later than execution of a purchase agreement or lease. (Amended 1/04)

Standard 16.15 – On unlisted property, MLS Participants acting as buyer/tenant representatives or brokers shall disclose that relationship to the seller/landlord at first contact for that buyer/tenant and shall provide written confirmation of such disclosure to the seller/landlord not later than execution of any purchase or lease agreement. (Amended 1/04)

MLS Participants shall make any request for anticipated compensation from the seller/landlord at first contact.

Standard 16.16 - MLS Participants, acting as representatives or brokers of sellers/landlords, shall disclose that relationship to buyers/tenants as soon as practicable, and shall provide written confirmation of such disclosure to buyers/tenants not later than execution of any purchase or lease agreement. (Amended 1/04)

Standard 16.17 – MLS Participants are not precluded from contacting the client of another broker for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g., property management as opposed to brokerage) or from offering the same type of service for property not subject to other brokers' exclusive agreements. However, information received through a Multiple Listing Service or any other offer of cooperation may not be used to target clients of other MLS Participants to whom such offers to provide services may be made. (Amended 1/04)

Standard 16.18 – MLS Participants, acting as subagents or buyer/tenant representatives or brokers, shall not use the terms of an offer to purchase/lease to attempt to modify the listing broker's offer of compensation to subagents or buyer/tenant representatives or brokers, or make the submission of an executed offer to purchase/lease contingent on the listing broker's agreement to modify the offer of compensation. (Amended 1/04)

Standard 16.19 – All dealings concerning property exclusively listed or with buyer/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker and not with the client, except with

the consent of the client's representative or broker or except where such dealings are initiated by the client. (Amended 1/04)

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, MLS Participants shall ask prospects whether they are a party to any exclusive representation agreement. MLS Participants shall not knowingly provide substantive services concerning a prospective transaction to prospects who are parties to exclusive representation agreements, except with the consent of the prospects' exclusive representatives or at the direction of prospects. (Adopted 1/03, Amended 1/04).

Standard 16.20 – Participants, users, and subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual agreements between the client and that firm. This does not preclude Participants from establishing agreements with their associated licensees governing assignability of exclusive agreements. (Adopted 1/98, Amended 1/10)

Standard 16.21 – These rules are not intended to prohibit ethical, albeit aggressive or innovative business practices, and do not prohibit disagreements with other MLS Participants involving commission, fees, compensation, or other forms of payment or expenses.

Standard 16.22- MLS participants shall not knowingly or recklessly make false or misleading statements about other real estate professionals, their businesses, or their business practices. MLS participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner. (Amended 01/12)

Standard 16.23 – MLS Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner.

Websites of licensees affiliated with a participant's firm shall disclose the firm's name and licensee's state(s) of licensure in a reasonable and readily apparent manner. (Adopted 11/07)

Standard 16.24 – MLS Participants shall present a true picture in their advertising and representations to the public, including the URLs and domain names they use, and participants may not:

- (a) Engage in deceptive or unauthorized framing of real estate brokerage websites;
- (b) Manipulate (e.g., presenting content developed by others) listing content and other content in any way that produces a deceptive or misleading result;
- (c) Deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic.
- (d) Present content developed by others without either attribution or without permission; or
- (e) Otherwise mislead consumers. (Amended 01/13)

Standard 16.25 – The services which MLS participants provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, land brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth. (Adopted 11/09)

Orientation

Section 17 – Attending an orientation session outlining the various services of IRES is recommended for all Participants.

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancements and/or changes to MLS rules and policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely. (Adopted 11/09)

Internet Data Exchange or IDX:

Section 18 – IDX DEFINED: IDX affords MLS Participants the ability to authorized limited electronic display of their listings by other participants. (Amended 5/12)

Section 18.1 – AUTHORIZATION: Participants' consent for display of their listings by other Participants pursuant to these rules and regulations is presumed unless a Participant affirmatively notifies the MLS that the Participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a Participant refuses on a blanket basis to permit the display of that Participant's listings, that Participant may not download or display the aggregated MLS data of other Participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display. (Amended 2/16)

Section 18.2 – Participation in IDX is available to all MLS Participants engaged in real estate brokerage who consent to display of their listings by other Participants. This requirement can be met by maintaining an office or Internet presence from which Participants are available to represent real estate sellers or buyers (or both). (Amended 11/09)

Section 18.2.1 – Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. (Amended 05/12)

Section 18.2.2 – MLS Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 05/12)

Section 18.2.3 - Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs). (Amended 05/12)

Section 18.2.4 – Participants may select the listings they choose to display on their IDX sites based only on objective criteria including, but not limited to, factors such as geography or locations ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right to sell, exclusive agency, or open listing), or the level of service provided by the listing firm. Selection of listings to be displayed on an IDX site must be independently made by each participant. (Amended 11/06)

Section 18.2.5 – Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours. (Amended 11/14)

Section 18.2.6 – Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. (Amended 05/12)

Section 18.2.7 – Any IDX display controlled by a Participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by IDX policy and MLS rules. (Amended 05/12)

Section 18.2.8 – Any IDX display controlled by a Participant or Subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listings (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 18.2.9, a Participants’ IDX display may communicate the Participants’ professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. (Adopted 5/12)

Section 18.2.9 – Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice or professional judgment. (Adopted 05/12)

Section 18.2.10 - An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14)

18.2.11 - Participants shall not modify or manipulate information relating to other participants listings. MLS Participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. (Adopted 5/2015)

Section 18.3 - DISPLAY: Display of listing information pursuant to IDX is subject to the following rules:

Section 18.3.1 - Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed. (Amended 05/12)

Section 18.3.3 - All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location

and in a readily visible color and typeface not smaller than the median used in the display of listing data. Displays of minimal information (e.g., “thumbnails,” text messages, “tweets,” etc., of two hundred |200| characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 05/12)

Section 18.3.4 - All listings displayed pursuant to IDX may identify the listing agent.

Section 18.3.5 - Non-principal brokers and sales licensees affiliated with IDX participants may display information available through IDX on their own websites subject to their participant’s consent and control and the requirements of state law and/or regulation.

Section 18.3.8 - Participants (and their affiliated licensees if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers’ personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g., “thumbnails,” text messages, “tweets,” etc., of two hundred |200| characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 05/12)

Section 18.3.9 - The data consumers can retrieve or download in response to a query shall be determined by the MLS but in no circumstances be limited to fewer than one hundred (100) listings or five percent (5%) of the listings available for IDX display, whichever is fewer. The data consumers can retrieve or download is over 400 match results in response to an inquiry, however, display shall be limited to a maximum of 400 listings per page. (Amended 11/09)

Section 18.3.10 - The right to display other Participants' listings pursuant to IDX shall be limited to a Participant's office(s) holding participatory rights in this MLS.

18.3.12 – Display of expired and withdrawn listings is prohibited. (Amended 11/15)

18.3.13 – Display of seller’s(s’) and/or occupant’s(s’) name(s), phone number(s), and e-mail address(es) is prohibited.

Section 18.3.13 – Participants are required to employ appropriate security protection such as firewalls on their websites and displays, provided that any security measures required may not be greater than those employed by the MLS.

Section 18.3.16 – Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the participant’s logo and contact information is larger than that of any third party. (Adopted 11/09)

18.3.14 - No portion of the IDX database shall be used or provided to a third party for any purpose other than those expressly provided for in these Rules.

Section 18.4 - Service fees for participation and fines for failure to comply with these Rules shall be established from time to time by IRES Managers.

Virtual Office Website (VOW):

Section 19.1 VOW DEFINED:

(a): A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant’s oversight, supervision, and accountability.

(b) As used in Section 19 of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

(c) “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d) As used in Section 19 of these Rules, the term “MLS Listing Information” refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 19.2

(a): The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b) Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”).

(c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 19.3

(a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

(i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

(ii) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

(iii) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(b) The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password.

(c) If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a "Terms of Use" provision that provides at least the following:

i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;

iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;

v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants, or their duly authorized representatives, as requested, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 19.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 19.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 19.6

(a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option a or Option b

a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

Initials of seller

(c) The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 19.7:

(a) Subject to subsection (b), a Participant's VOW may allow third-parties

- (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing

(b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller.

Section 19.8: A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9: A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 19.10: Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 19.11: A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 19.12: A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a REALTOR®.

Section 19.13: A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 19.14: A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 19.15: A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a. Expired or withdrawn listings.

b. The compensation offered to other MLS Participants.

c. The type of listing agreement, i.e., exclusive right to sell or exclusive agency.

d. Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property.

Section 19.16: A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 19.17: A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 19.18: A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data.

Section 19.19: A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 400 current listings and not more than 400 sold listings in response to any inquiry.

Section 19.20: A Participant shall require that Registrants' passwords be reconfirmed or changed every 120 days.

Section 19.21: A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 19.22: Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 19.23: Where a seller affirmatively directs their listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 48 hours.

Lock Box/Key Repositories

Section 20.1 – LOCK BOX SECURITY REQUIREMENTS: Eligibility for coverage under NAR's blanket errors and omissions insurance program is contingent on compliance with the following security measures whether the system is operated by the association, its MLS, or on behalf of an association by a recognized lock box vendor:

- (a) Any key, programmer, or other device (hereinafter referred to as key) by which a lock box can be opened shall be nonduplicative. By nonduplicative it is not meant that the key is necessarily covered by a current patent but that it cannot be readily copied in the manner that other types of keys ordinarily are.
- (b) Keys must be obtained from the original manufacturer, from a recognized vendor of lock box systems or from any other legitimate source. Prior to utilizing previously used keys, lids, or boxes, information shall be

obtained from the original manufacturer to determine whether the key's pattern, code, or configuration is already in use by other associations, multiple listing services, or other users in the vicinity. Surrounding associations and multiple listing services shall also be contacted to determine whether the key's pattern, code, or configuration is currently in use.

(c) Any lock box system shall be designated as either an activity of an association of REALTORS® or an association-owned and operated MLS.

If the lock box system is an activity of an association of REALTORS®, then every REALTOR® and REALTOR-ASSOCIATE® and every non-principal broker, sales licensee and licensed or certified appraiser affiliated with a REALTOR®, shall be eligible to hold a key subject to their execution of a lease agreement with the association. (Amended 11/96)

If the lock box system is an activity of an association-owned and operated multiple listing service, then every MLS participant and every non-principal broker, sales licensee and licensed or certified appraiser who is affiliated with an MLS participant and who is legally eligible for MLS access shall be eligible to hold a key subject to their execution of a lease agreement with the MLS.

Associations and multiple listing services may require, as a matter of local determination, that key lease agreements executed by non-principal brokers, sales licensees, and licensed or certified appraisers will be cosigned by the designated REALTOR® or the office's broker of record. Lease agreements shall spell out the responsibilities of the parties and shall incorporate by reference any applicable rules or regulations or other governing provisions of the association or MLS that relate to the operation of the lock box system. The lease agreement shall also provide that keys may not be used under any circumstances by anyone other than the keyholder except as provided elsewhere in this statement of policy. (Amended 2/98)

Associations and multiple listing services may, at their discretion, authorize unlicensed personal assistants, administrative and clerical staff, and individuals seeking licensure as real estate appraisers, who are under the direct supervision of a designated REALTOR®, or MLS participant, or their licensed designee, to hold a lock box key on the same terms and conditions as non-principal brokers and sales licensees. (Adopted 11/93)

Associations and multiple listing services may refuse to sell or lease lock box keys, may terminate existing key lease agreements, and may refuse to activate or reactivate any key held by an individual convicted of a felony or misdemeanor if the crime, in the determination of the association or MLS, relates to the real estate business or puts clients, customers, or other real estate professionals at risk.

Associations or multiple listing services may suspend the right of lock box keyholders to use lock box keys following their arrest and prior to their conviction for any felony or misdemeanor which, in the determination of the association or MLS, relates to the real estate business or which puts clients, customers, or other real estate professionals at risk.

Factors that can be considered in making such determinations include, but are not limited to:

- the nature and seriousness of the crime
- the relationship of the crime to the purposes for limiting lock box access
- the extent to which access (or continued access) might afford opportunities to engage in similar criminal activity
- the extent and nature of past criminal activity
- time since criminal activity was engaged in
- evidence of rehabilitation while incarcerated or following release and
- evidence of present fitness (Adopted 11/99)

Administration of a lock box system as an activity of an association of REALTORS® may, at the discretion of the association, be delegated to its multiple listing service.

No one shall be required to lease a key from the association except on a voluntary basis.

Associations and multiple listing services may, at their discretion, lease keys to affiliate members of associations who are actively engaged in a recognized field of real estate practice or in related fields. In such instances, the lease agreement shall be signed by the keyholder and by a principal, partner, or corporate officer of the keyholder's firm. (Amended 11/97)

Key lease agreements may contain a liquidated damages provision to offset some or all of the costs in reestablishing the security of the system if it is determined that the security has been compromised through the negligence or fault of the keyholder. (Amended 11/97)

- (d) Associations shall maintain current records as to all keys issued and in inventory. There shall be an audit, at least annually, of all keys, whether issued or in inventory. This requirement may be satisfied by a physical inventory or, alternatively, by receipt of a statement signed by the keyholder and the designated REALTOR®, broker of record, or, in the case of an affiliate member, by a principal, partner, or corporate officer of the keyholder's firm, attesting that the key is currently in possession of the keyholder. This audit requirement does not apply to electronic lock box programmers or keypads which are sold or leased provided such devices may be deactivated within thirty (30) days. (Amended 5/99)
- (e) Associations shall require a substantial deposit from each keyholder in an amount that will establish an awareness of personal liability for such key. The initial deposit shall not be less than \$25 nor more than \$300. Deposits for a first replacement key lost or stolen shall be not less than two (2) times nor more than three (3) times the amount of the initial deposit and not less than three (3) times nor more than four (4) times the amount of the initial deposit for second or additional replacement keys. Deposits for keys shall be kept in a special account for refund upon return of the key unless forfeited upon loss of the key. Notwithstanding the foregoing, deposits charged affiliate members may be no more than twice the amounts established above. (Revised 11/11)

If, at the time of inventory, a key is unaccounted for, or if a keyholder refuses or is unable to demonstrate that the key is within their physical control, then the key will be considered unaccounted for and any funds on deposit will be forfeited to the association.

Deposits for electronic programmers or electronic keycards which are leased but which can be deactivated within thirty (30) days may be required as a matter of local determination. (Adopted 11/95)

- (f) Lock boxes may not be placed on a property without written authority from the seller. This authority may be established in the listing contract or in a separate document created specifically for the purpose. Inclusion in MLS compilations cannot be required as a condition of placing lock boxes on listed property. (Amended 11/05)
- (g) Associations shall charge keyholders and their cosignatories with the joint obligation of immediately reporting lost, stolen, or otherwise unaccountable for keys to the association. Upon receipt of notice, the association shall take any steps deemed necessary to resecure the system.
- (h) Associations shall adopt written, reasonable, and appropriate rules and procedures for administration of lock box systems which may include appropriate fines, not to exceed \$15,000. Any issuing fees, recurring fees, or other administrative costs shall be established at the discretion of the association and set forth in the rules and procedures. All keyholders, whether association members or not, shall agree, as a condition o

the key lease agreement, to be bound by the rules and procedures governing the operation of the lock box system. (Amended 11/13)

- (i) Associations shall adopt written, reasonable, and appropriate rules and procedures for administration of lock box systems which may include appropriate fines, not to exceed \$5,000. Any issuing fees, recurring fees, or other administrative costs shall be established at the discretion of the association and set forth in the rules and procedures. All keyholders, whether association members or not, shall agree, as a condition of the key lease agreement, to be bound by the rules and procedures governing the operation of the lock box system. (Amended 11/05)
- (j) Notwithstanding the foregoing, associations and multiple listing services may sell electronic lock box programmers or keypads to MLS Participants and others eligible to hold lock box keys pursuant to these requirements provided that such devices may be deactivated, if necessary, within a reasonable period not to exceed thirty (30) days and that the participant has authorized the sale in writing. In the event electronic lock box programmers or keypads are sold or leased, a designated REALTOR[®] principal or an office's broker of record may purchase or lease additional programmers or keypads to be issued on a temporary basis to other keyholders in the same office in the event their programmer or keypad becomes non-functional outside normal business hours or under circumstances where a replacement programmer or keypad is not reasonably available from the issuing association or MLS. When a programmer or keypad is issued on a temporary basis, it shall be the responsibility of the REALTOR[®] principal or the broker of record to advise the association or MLS in writing that the programmer or keypad has been issued, to whom, and the date and time of issuance within forty-eight (48) hours. It shall also be the responsibility of the REALTOR[®] principal or the broker of record to advise the association or MLS in writing within forty-eight (48) hours after possession of the previously issued programmer or keypad has been reassumed. (Adopted 4/95)
- (k) MLSs may, as a matter of local option, require placement of an MLS approved lock box on listed properties if any device giving access to real estate professionals and/or service providers is authorized by the seller and occupant and is placed on the property. The purposed of this requirement, if adopted by an MLS, is to ensure cooperating participants and subscribers have timely access to listed properties. Requiring that a lock box or other access device be "MLS-approved" does not limit the devices that satisfy the requirement to lock boxes leased or sold by an association or MLS. The MLS may require that the devices be submitted in advance for approval, and the access device may be any lock box or other access device that provides reasonable, timely access to listed property. The MLS also may revoke the approval and/or subject the participant to discipline if the device is used in a matter that fails to continue to satisfy this requirement. (Adopted 5/12)
